SUMMARY

Information and Communication Technology undergraduate at MBSTU with strong interests in competitive programming, algorithms, and software engineering. Proficient in competitive programming, and learning data structures with a strong foundation in algorithms and software engineering principles. Passionate about solving complex problems and building scalable, high-performance systems. Actively seeking software engineering internship opportunities at multinational technology companies.

EDUCATION

Mawlana Bhashani Science and Technology University (MBSTU) Tangail, Bangladesh

Bachelor of Science in Engineering (B.Sc.Engg.) in Information and Communication Technology 2023 – 2027

- **Relevant Coursework:** Data Structures & Algorithms, Object-Oriented Programming, Computer Networks, Database Management Systems, Operating Systems, Discrete Mathematics, Data Communication, Web Application Development.
- Active member of the Programming Club.

Birshreshtha Munshi Abdur Rouf Public College, Dhaka

Dhaka, Bangladesh

Higher Secondary Certificate (HSC) – Science

February 2022

Gopalpur High School

Saturia, Manikganj, Bangladesh

Secondary School Certificate (SSC) – Science

April 2020

TECHNICAL SKILLS

Languages: C/C++, Python, SQL

Core CS: Data Structures, Algorithms, Competitive Programming, OOP,D

Tools & Platforms: Git, GitHub, Linux, VS Code

Databases: MySQL, Firebase

Soft Skills: Problem Solving, Analytical Thinking, Team Collaboration, Fast Learning

COMPETITIVE PROGRAMMING & ACHIEVEMENTS

Online Judge Profiles

Ongoing

Codeforces, Codechef, AtCoder

- Solved 300+ algorithmic problems across Codeforces, LeetCode, and other competitive programming platforms.
- Proficient in algorithms (BFS/DFS, Dijkstra, Floyd-Warshall), dynamic programming, greedy algorithms, and number theory.

Academic & Extracurricular Achievements

2023 – Present

- Secured admission to one of Bangladesh's top science and technology universities in highly competitive national entrance examination.
- Consistently strong academic performance in core CS and mathematics subjects.
- Completed HSC from one of the most prestigious colleges in Dhaka Division.

PROJECTS

A simple casino game with Log in and registration | C

2024

- It's a simple project for understanding the core about the language

Mess and sublet finder | C++, MySql

2025

- Develop a console base project for learnig mySql well and connect the database with c++ language.

MBSTU Abason Website | Html, CSS, JavaScript

2026

- Web app for the students who looking for a mess or have to changes the mess.

LANGUAGES

Bengali: Native | **English:** Professional Working Proficiency
